2. [REDACTED] has told me that the success of his mission was due in large part to the cordiality with which he was received by Colonel Howard, Colonel Harrison, and Lieutenant-Colonel Cullen. He has also expressly asked me to bring to your attention the very willing co-operation accorded him by Mr. Noble West, of the Mobilization Planning Branch, and his three assistants, Mr. Scudder, Mr. Lederer, and Mrs. Chraske. [REDACTED] worked in close relation with Mr. Noble and his staff and I appreciate the many hours they devoted to gathering and collating data for [REDACTED] 25X1A
